I am a talented interactive artist, visual director, and UX/UI designer. In 8 years of professional experience, I have taken an interdisciplinary approach to all of my creative endeavors, whether they are web, film, visual design, motion pictures, UX/UI, and interactive media. I look forward to exploring different topics and using my strength to create phenomenal experiences for users and participants.

WORK EXPERIENCE

Exous, Inc.

Senior UX/UI Designer

01/2016 – present

- Create prototypes and high-fidelity mockups to conceptualize new ideas and work on the end to end experience design
